In 2007, Debbie Stachowski opened Your Perfect Fit with her daughter, Marie Bartley. Debbie started the business following her own frustrating experiences of finding a properly fitted bra. Since the establishment opened, the two bra-fitting specialists have helped thousands of women transform their bodies' appearance into a slimmer and more flattering image with properly fitted bras from European designers. In 2008, Marie became a certified mastectomy fitter by the American Board for Certification in Orthotics, Prosthetics & Pedorthics.
